Dear NAME CLIENT,

We look forward to reporting the progress of this sprint. We have captured the following points to update you on how things are going and if we have encountered any hurdles in our execution.

This recent sprint focused on researching all the different possibilities when it comes to implementing a chatbot in a business setting and the coming sprint will focus mainly on creating a functional prototype and analysing our first results.

Outcome(s) and Activities of this Sprint:

- Explored the domain of chatbots
- Experimented with several chatbot frameworks
- Signed the IP agreement
- Had two meetings with supervisor
- Website bootstrapping initiated

Activities that will occur next Sprint:

- TensorFlow chatbot demo using the FAQ plus integration in a web environment or Facebook messenger
- DialogFlow chatbot demo
- Prepare a document/presentation explaining the Value Proposition of a chatbot for the company

Proposed amendments to Scope:

- N/A

Please let us know if you have any questions.

Sincerely,
Team 7
